

## Supply of Special Joystick RRC system to JSW – Salem

Speed-O-Controls Pvt Ltd had recently bagged an order for customised joystick RRC systems for JSW Salem. Although it was a crane application the customer wanted high end customisation which was

possible in joint collaboration with ITOWA. SOC have supplied the joystick in a record time of 72 hours since the customer requirement was urgent to reduce downtime of their EOT Crane.

## Customised Armchair Project for Professional Consultants – Sangli

Speed-O-Controls Pvt. Ltd. Recently worked on a project to design and supply ONLY the armchair desk console (without the joysticks) for an end customer in Europe. The order was in collaboration with Professional Consultants in Sangli for specialised machines. This is a turnkey project which involves design of 12 nos special armchair consoles. 6 nos have to be supplied in the month of October 2017. Going Forward – Only Armchair Consoles will be available for ready sale to all clients and they shall have the option to use their own joystick controllers.

## 50Ton Dynamometer Order

Speed-O-Controls Pvt. Ltd. Have executed an order for design & supply of 50 Ton Dynamometer to Naval Dockyard (Mumbai) through RC Technocomp. The same has been supplied and shall be installed and commissioned on 16th Oct 2017. This is the first time SOC have supplied a 50 Ton Dynamometer to an end user.
