News Letter No. 19, July 2017

Special Control Desk for Essar Pune

Speed-O-Controls Pvt.Ltd.bagged a prestigious order for Specialised Control Desk for Pickling Plant Application from Essar Steel Ltd – Pune.This special control desk was custom-fabricated and assembled in our state-of-art facility in Ahmedabad.The client was keen on ensuring that the control desk withstands the harsh environment of the pickling unit and hence SOC has offered an extended warranty for the product. The control desk has been delivered last week and SOC have received extremely good feedback for the same.

Increasing Demand of SOC Dynamo-meters and Load Cells

Speed-O-Controls Pvt.Ltd.has observed an exponential increase in the demand of Load Cells & Dynamometers over the last 2 months.

Keeping the same in mind SOC has started an activity to stock Load Cells of all types between 10T – 50T at all times. Recently two orders were received from Larsen & Tuobro and Excel Engineering for 25 different types of Load cells and Load Indicators and the same was successfully dispatched in a turn-around time of less than 2 week. SOC will ensure that the complete demand of Load Cells and Dynamometers is met in the months to come.
